

The superior performance of Temprid® with new Bayer Ready-To-Spray technology.

- Broad-spectrum control of more than 50 listed pests, such as cockroaches, spiders and ants¹
- Nothing left behind in the can – completely empties
- Personal protective equipment (PPE) is not required²
- No signal word
- Residual effectiveness against bed bugs that lasts up to six months

¹ Excluding fire ants

² While PPE is not required, Bayer always recommends the appropriate protective clothing to be worn as needed.
