

Bug Bar[®] Refillable Bait Station

Bug Bar[®] Insect Bait Station is an ingenious, safe and easy-to-use, refillable/disposable delivery system for **Green Way[®] Liquid Ant Killing Bait[®]** or **Gourmet Ant Bait Gel[®]**. Designed to deliver focused treatments for ants and roaches, this clever configuration can be refilled even when closed through the filler hole in the lid. Bug Bars are shipped 50 unfilled bug bars per box, 20 boxes per case.

- **Bug Bar[®]** Insect Bait Station is a sturdy, attractive, bait station approx. 2" square.
- Holds up to 1/3 ounce of liquid, gel or granular bait.
- Ribs on the entryway provide a secure foothold for ant and large roaches.
- Cover easily snaps closed and is difficult for small children to open.
- **Bug Bar[®]** can be secured in place with double-sided tape or 'Hercules' putty.
